In response to the Office Action mailed June 20, 2002, please
amend the above-identified application without prejudice as follows.

In the Claims:

Claims 8, 9, 18, 19, 28, 29, 31-39 have been cancelled.

Claims 1, 11, 21 have been amended.

The following new Claims 41-76 have been added.

1. (Once amended) A method for ordering digital image goods
and/or services by a user over a communication network, comprising the steps of:
- said user obtaining a low resolution digital image file, a
high resolution digital image file, and associated meta data of an image;
 - transmitting said low resolution digital image file and said
associated meta data by said user to a server at a remote image photoservice
provider over said communication network, said server having software for
manipulating and/or for ordering of goods and/or services by said user with
respect to said image;
 - said user using said software with respect to said image;
 - said service provider providing feed back to said user based
on said meta data and/or said user using said software; and
